**ABOUT**  
JL LORA

*Love that breaks the rules*

J. L. Lora and is a Dominican-American author. Her stories explore the dark side of good characters, people living in the gray areas of life while playing the cards life has dealt them. Through them she manifests her love for strong heroines and their equally powerful Men. She currently lives in Maryland, pursuing her dream of writing compelling, sexy, can't-put-down stories about empowered, badass alpha heroines and take-your-breath-away alpha heroes.

# BOSS MADE STEEL

J.L. LORA

## THE TRINITY

### BOSS

To escape a crime boss' obsession, Carissa Elliott is forced to run. Left out of options, she must become boss of a powerful cartel to save herself and loved ones. Her journey will face her with another dangerous man. One whose kiss still burn in her lips...and her memory.

### MADE

*No matter how hard she runs,  
Danger is on her tail...*

Gia must do the unthinkable: embrace her own inner darkness to save Noah and those she loves for a chance at the light. Will she slay the enemy once and for all, or will her past finally catch up with her in the end?

### STEEL

*The enemy's always watching, biding his time.*

Four women will die before a killer finishes a macabre target list, with Amelia as his crown piece. Leandro and Amelia must dodge the barrage of bullets and bombs to keep her safe. Tragedy has left them scarred and broken. But love won't be denied, won't wait, and Leandro won't stop fighting for a chance. The only woman he's ever loved has been marked for death. Leandro won't let that happen.

Black and white are merely ends and life happens in the spectrum in between.

The Trinity series follows the journey of people backed into corners by life, embracing their dark side to survive. What would you do to protect yourself and those you love?

The Trinity series is about friendship that transcends, unexpected love that refuses to let go, obsession that stalks your every move, betrayal that crushes, and family in the non-traditional way.

## A LOVE FOR ALL SEASONS

### THE SUMMER I LOVED YOU

One summer, they loved each other madly, broke each other's hearts, and changed each other's lives.

*He claimed he'd never come back.  
She promised to hold him to his word.*

After ten years, fate brings Cameron face-to-face with Adrianna, the woman he never forgot, and the little girl that ties them forever.

### THE WINTER OF MY LOVE

*An unforeseen pregnancy is just the beginning of their story...*

Winter and Grayson embark on a 40-week journey in the name of a child, navigating through a sea of self-doubt, conflicting emotions and rising feelings. When these nine months are over, will Grayson be able to convince Winter to make him and the baby part of her picture-perfect landscape? What happens next is something neither of them sees coming.

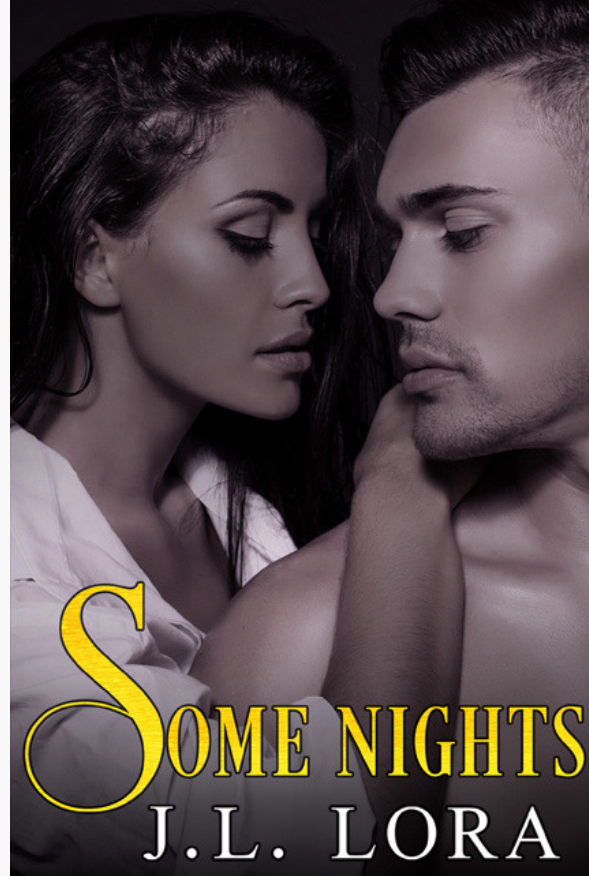

A Love for All Seasons is a contemporary romance four-book series based on the Baltimore area. Each book stars a different couple but you get to see the familiar faces. Their stories are about love that tugs at your heart string, passion that sets the pages on fire, family, and friendships of the heart.

#### **Books in the series:**

The Summer I Loved You  
The Winter of My Love

#### **Soon to be released:**

The Autumn You Became Mine  
The Spring of My Heart

# STANDALONES

## SOME NIGHTS

*Saona is truthful but she's been lied to.*

*Saona plays by the rules but she's been cheated on.*

*Saona puts others first but she's been used.*

It all stops the day she finds out. It all stops when she sheds the good girl vibe that's been dragging her down like a stone. It all stops when she takes a shot of what she's been missing, at the hands of a hot bartender named Jax.

Saona's ready to step out on the ledge and breathe the wild air.

Some Nights is J. L. Lora's first standalone novel. It was published in September 2018.
